Memorials & Tributes

Our Memorial Butterfly Garden offers a unique opportunity to pay tribute to loved ones.

Surrounded by flowers, plants and butterflies, this serene garden provides a place for our patients and their loved ones to enjoy peace and comfort.

Personalized bricks line the garden walkways and can be purchased and inscribed with your personal message.

To learn more about our butterfly garden or purchasing bricks, contact the Development Office at 727-845-5707.
